Dear Alberto,

Mr. Roy Darrell Benson has contacted me about the petition he filed requesting executive clemency.

I have explained that this matter is entirely within the jurisdiction of United States Department of Justice, but that I would bring it to your attention for whatever action you feel is appropriate. I would appreciate it if you would review the enclosed information, and respond directly to:

The Honorable Heather Wilson
U.S. House of Representatives
Washington, DC 20515

Dear Congresswoman Wilson:

This is in response to your letter to the Attorney General of July 21, 2006, concerning the pardon application of your constituent, Roy Darrell Benson. Your letter and the material you sent with it have been made part of Mr. Benson's clemency file. His application remains under consideration at this time. As Mr. Benson mentioned to you, he has been interviewed by the FBI in connection with this matter.

As Mr. Benson knows, the processing time for an executive clemency application can be lengthy, and we can give no assurance that final action will be taken by the President within a particular time frame. Accordingly, we are unable to advise you when Mr. Benson may expect a decision on his application. He will be notified promptly, however, when a final decision is made.

I appreciate your interest in this matter.

Sincerely,

The Honorable Heather Wilson
U.S. House of Representatives
Washington, DC 20515

Dear Congresswoman Wilson:

This is in response to your letter of December 12, 2006, to the Attorney General concerning the pardon application of your constituent, Roy Darrell Benson. I am afraid there is little that I can add to my August 17, 2006 letter to you. Mr. Benson's application for a pardon remains under consideration. The processing time for a pardon application is often lengthy, and we can give no prediction as to when final action will be taken on his request. We will notify Mr. Benson when a final decision is made. Thank you for your continuing interest in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Roger C. Adams".
